

BAREGA DRILLERS Quality Policy

Barega Drillers operates in the oil and gas drilling business offering highly specialised drilling solutions to the oil and gas industry in harsh and challenging environments.

This Quality Policy shall be used to communicate Barega Drillers management commitment to providing products and services which are fit for purpose and comply with our internal and our customer's quality requirements.

We are committed to achievement of excellence in our business activities and operations to satisfy the requirements defined in ISO 9001 - 2000.

The Quality objectives below have been established by the management of Barega Drillers. These objectives are:

- Meeting or exceed customer expectations
- Compliance with applicable Legal, regulatory and contractual requirements
- Keeping risks as low as reasonably practicable
- Target zero breakdown time for all our drilling operations

The Barega Drillers Quality Manager has the authority to ensure implementation of the quality management system and follow up on any action that may be necessary to ensure that Barega Drillers meets established quality objectives. This Quality Policy and Quality objectives shall be reviewed on an annual basis as a minimum to ensure continued suitability.

This Quality Policy shall be used to communicate commitment to providing products and services which comply with our internal and our customer's quality requirements and to communicate to all employees the Barega Drillers commitment to the Quality Management System as a whole.

All Barega Drillers employees are required to comply with this Policy and commit to:

- Make Quality a priority in all aspects of their work
- Continually improve the effectiveness of the Quality Management System
- Provide a Quality service that meets the contractual requirements of our customers
- Maintain effective communications between all parties
- Establish effective management organisation for Projects with clearly defined accountability and authority at all levels

Quality is pivotal to effective business operations and meeting customer expectations and the signatures below show Barega Drillers Executive Management commitment to this policy.
